

Office of the Municipal Mayor

EXECUTIVE ORDER NO. 033
Series of 2026

AN EXECUTIVE ORDER IMPOSING A TOTAL PROHIBITION ON THE ENTRY OF ALL LIVE SWINE INTO THE MUNICIPALITY OF SANTO TOMAS, PROVINCE OF ISABELA, FOR THE PREVENTION, CONTROL, AND CONTAINMENT OF AFRICAN SWINE FEVER (ASF); PRESCRIBING A MUNICIPAL REFERENCE/PURCHASE PRICE OF ONE HUNDRED EIGHTY PESOS (₱180.00) PER KILOGRAM LIVE WEIGHT FOR LIVE HOGS INTENDED FOR SLAUGHTER; MANDATING THE SECURING OF MUNICIPAL BUTCHER'S PERMITS; AND FOR OTHER PURPOSES

WHEREAS, Section 16 of Republic Act No. 7160, otherwise known as the Local Government Code of 1991, provides that every local government unit shall exercise powers expressly granted, those necessarily implied therefrom, as well as powers necessary, appropriate, or incidental for its efficient and effective governance, and those which are essential to the promotion of the general welfare, including the protection of health and safety;

WHEREAS, Section 444 of Republic Act No. 7160 provides that the Municipal Mayor shall exercise such powers and perform such duties and functions as provided by law and shall exercise general supervision and control over all programs, projects, services, and activities of the municipal government;

WHEREAS, African Swine Fever (ASF) is a highly contagious viral disease affecting domestic and wild swine which may cause severe mortality and significant economic losses to hog raisers, traders, meat processors, and communities' dependent upon the swine industry;

WHEREAS, the prevention, control, and containment of ASF require continuous surveillance, early detection, proper documentation, traceability, biosecurity, and effective management of the movement of live swine, pork, pork products, and animal by-products;

WHEREAS, the Department of Agriculture, through the Bureau of Animal Industry (BAI) and the National Veterinary Quarantine Services Division (NVQSD), has established requirements governing the movement and shipment of animals, animal products, and by-products, including veterinary health certification and other applicable documentary requirements;

WHEREAS, Department of Agriculture Administrative Order No. 05, Series of 2019, provides guidelines for the local transport or shipment of animals, animal products, and by-products and requires compliance with applicable veterinary and quarantine requirements;

WHEREAS, the National Meat Inspection Service (NMIS) and other competent authorities prescribe standards and requirements for the slaughter, inspection, handling, transport, and distribution of meat and meat products;

WHEREAS, Executive Order No. 137 (1993) recognizes the role of local government units in the licensing and registration of butchers, meat vendors, meat dealers, and meat stalls or shops, subject to applicable laws, rules, regulations, and national standards;

WHEREAS, the Municipality of Santo Tomas recognizes the need to establish a local monitoring and traceability mechanism covering the entire movement of swine, from entry into the Municipality, internal movement and trading, slaughter or butchering, and the movement of pork and pork products out of the Municipality;

Office of the Municipal Mayor

WHEREAS, the Municipality further recognizes the need to protect local hog raisers and promote transparent transactions involving live hogs intended for slaughter through the establishment of a municipal reference/purchase price based on actual live weight;

WHEREAS, there is a need to require persons engaged in butchering activities within the Municipality to secure the appropriate municipal permit and to maintain adequate records for purposes of traceability, animal disease surveillance, food safety, and regulatory monitoring;

NOW, THEREFORE, I, HON. LEANDRO ANTONIO P. TALAUE, Municipal Mayor of Santo Tomas, Isabela, by virtue of the powers vested in me by law, do hereby order:

SECTION 1. TITLE

This Executive Order shall be known as the:

“SANTO TOMAS MUNICIPAL LIVE SWINE ENTRY PROHIBITION, ASF CONTROL, PRICE REGULATION AND BUTCHER'S PERMIT ORDER OF 2026.”

SECTION 2. PURPOSE AND OBJECTIVES

This Executive Order is issued to:

- a. Establish a municipal system for the surveillance, monitoring, and traceability of African Swine Fever (ASF);
- b. Prohibit the entry of live swine into the Municipality;
- c. Monitor the movement of live swine within the Municipality;
- d. Monitor the slaughtering and butchering of swine within the Municipality;
- e. Monitor the movement of pork, pork products, carcasses, and animal by-products entering and leaving the Municipality;
- f. Strengthen early detection and reporting of suspected ASF cases;
- g. Prevent and discourage unauthorized or undocumented movement of swine and pork products;
- h. Require persons engaged in butchering activities to secure a valid Municipal Butcher's Permit;
- i. Establish a municipal reference/purchase price of **₱180.00 per kilogram based on actual live weight** for live hogs intended for slaughter;
- j. Promote transparency and fairness in live-hog transactions; and
- k. Protect animal health, public health, food safety, and the livelihood of local hog raisers.

SECTION 3. DEFINITION OF TERMS

For purposes of this Executive Order:

- a. African Swine Fever (ASF)** – a highly contagious viral disease affecting domestic and wild swine.
- b. Live Hog/Swine** – a live domestic pig intended for breeding, raising, trading, slaughter, or other lawful purposes.
- c. Butcher** – a person who performs slaughtering, butchering, cutting, dressing, deboning, or preparation of swine for meat.
- d. Butcher's Permit** – a municipal permit issued to a qualified person authorizing the conduct of butchering activities within the Municipality, subject to applicable laws and regulations.
- e. Live Weight** – the actual weight of a live hog immediately prior to slaughter or sale, as determined using a properly calibrated weighing scale.
- f. Traceability** – the ability to identify and establish the source, ownership, movement, slaughter, and destination of a live hog, carcass, pork, pork product, or by-product.
- g. Pork Products** – meat and products derived from swine, including fresh pork, processed pork, and other products covered by applicable regulations.

Republic of the Philippines
Province of Isabela
MUNICIPALITY OF SANTO TOMAS

Office of the Municipal Mayor

h. Animal By-Products – parts or materials derived from animals other than the principal meat product, as defined and regulated under applicable national regulations.

SECTION 4. COVERAGE

This Executive Order shall apply to all persons and entities engaged in activities involving live swine, slaughtered/butchered swine, pork, pork products, and by-products within the territorial jurisdiction of Santo Tomas, including:

- a. Hog raisers and owners;
- b. Hog buyers and sellers;
- c. Traders and viajeros;
- d. Transporters and livestock haulers;
- e. Butchers;
- f. Slaughterhouse operators;
- g. Meat vendors and dealers;
- h. Meat processors;
- i. Retailers and establishments handling pork;
- j. Persons transporting pork and pork products; and
- k. Other persons or entities engaged in the movement, slaughter, butchering, trading, processing, or distribution of swine and swine products.

SECTION 5. LEAD IMPLEMENTING OFFICE

The **Municipal Agriculture Office/Municipal Veterinarian**, as applicable, shall be the primary implementing office of this Executive Order.

The Office shall oversee the Municipality's ASF surveillance, monitoring, documentation, and traceability activities.

The Municipal Agriculture Office/Municipal Veterinarian shall:

- a. Enforce and document the prohibition on the entry of live swine into the Municipality and maintain records of attempted unauthorized entry;
- b. Monitor internal movement of live swine;
- c. Monitor swine intended for slaughter;
- d. Monitor slaughter and butchering activities;
- e. Maintain the Municipal Registry of Permitted Butchers;
- f. Monitor the prescribed ₱180.00/kg live-weight reference/purchase price;
- g. Maintain records necessary for ASF traceability;
- h. Receive and document reports of suspected ASF;
- i. Coordinate with the Provincial Veterinary Office and DA/BAI on ASF surveillance and disease-control measures;
- j. Conduct information and education activities; and
- k. Submit periodic reports to the Municipal Mayor.

SECTION 6. MUNICIPAL ASF MONITORING AND TRACEABILITY SYSTEM

There is hereby established a **Municipal ASF Monitoring and Traceability System (MAMTS)** to consolidate information concerning:

1. Attempts to bring live swine into the Municipality in violation of the entry ban;
2. Live swine leaving the Municipality;
3. Internal movement of swine;
4. Live hog transactions;
5. Swine presented for slaughter;
6. Swine slaughtered or butchered;
7. Pork and pork products produced from slaughter;

**Sa Santo Tomas,
Lahat Aangat!**

Office of the Municipal Mayor

8. Pork and pork products entering or leaving the Municipality;
9. Suspected ASF cases; and
10. Other information necessary for animal-health surveillance and traceability.

The system may be maintained through physical logbooks, electronic records, or both.

SECTION 7. TOTAL BAN ON LIVE SWINE ENTERING THE MUNICIPALITY

The entry of all live swine into Santo Tomas is hereby totally prohibited, regardless of source, ownership, purpose, quantity, or intended destination within the Municipality, subject to applicable national laws, rules, regulations, and lawful directives of competent veterinary authorities.

No person, owner, trader, viajero, transporter, livestock hauler, or other entity shall bring, transport, deliver, or cause the entry of live swine into the territorial jurisdiction of Santo Tomas. Any attempted entry of live swine shall be immediately documented and reported to the Municipal Agriculture Office/Municipal Veterinarian and, when necessary, coordinated with the Provincial Veterinary Office and DA/BAI/NVQSD or other competent authorities for appropriate action.

The Municipality shall not issue any document, clearance, permit, or certification that authorizes or substitutes for national veterinary quarantine or movement documents, and no municipal document shall be construed as allowing the entry of live swine contrary to this Executive Order.

SECTION 8. MONITORING OF LIVE SWINE LEAVING THE MUNICIPALITY

All live swine leaving Santo Tomas shall comply with applicable national veterinary quarantine, health certification, movement, and documentary requirements.

Whenever practicable, the Municipal Agriculture/Veterinary Office shall record:

- a. Name of owner/shipper;
- b. Source;
- c. Destination;
- d. Number of hogs;
- e. Vehicle and transporter;
- f. Date and time of departure; and
- g. Applicable veterinary and movement documents.

SECTION 9. MONITORING OF INTERNAL MOVEMENT

Movement of live swine between farms, barangays, traders, slaughter facilities, and other locations within the Municipality shall be monitored to the extent practicable.

Owners, traders, viajeros, and transporters shall provide information necessary for traceability when lawfully requested by duly authorized municipal personnel.

During an ASF alert, suspected case, or officially declared disease-control situation, additional movement restrictions may be implemented in accordance with orders and directives of competent veterinary authorities.

SECTION 10. PRESCRIBED LIVE-HOG REFERENCE/PURCHASE PRICE

For purposes of promoting transparency and protecting local hog raisers, the Municipality hereby establishes a **reference/purchase price of ONE HUNDRED EIGHTY PESOS (₱180.00) PER KILOGRAM based on actual live weight** for live hogs intended for slaughter.

The prescribed price shall apply to covered live-hog transactions within the Municipality, subject to applicable national laws, regulations, and official government price policies.

Office of the Municipal Mayor

The actual live weight shall be determined using a properly calibrated weighing scale.

The seller shall be allowed to witness the weighing.

Whenever practicable, the transaction shall be documented indicating:

- a. Name of seller;
- b. Name of buyer;
- c. Date of transaction;
- d. Number of hogs;
- e. Actual live weight;
- f. Price per kilogram;
- g. Total purchase price; and
- h. Other information necessary for traceability.

SECTION 11. PRICE MONITORING AND TRANSACTION TRANSPARENCY

The Municipal Agriculture Office shall monitor live-hog buying transactions within the Municipality.

No person shall manipulate, falsify, conceal, or misrepresent the actual live weight of a hog for the purpose of defeating the prescribed municipal price or deceiving the seller.

Complaints involving alleged underpricing, manipulation of weighing scales, falsification of weight records, or other irregularities shall be documented and referred to the appropriate authority for appropriate action.

The Municipality shall periodically review the prescribed price considering prevailing market conditions, production costs, feed prices, transportation costs, supply and demand, disease-control measures, and other relevant factors.

SECTION 12. MUNICIPAL BUTCHER'S PERMIT

All persons engaged in **slaughtering, butchering, cutting, dressing, deboning, or preparation of swine for meat** within the Municipality shall secure a valid **Municipal Butcher's Permit** prior to engaging in such activities.

No person shall engage in commercial or regular butchering activities within the Municipality without a valid Municipal Butcher's Permit.

The permit shall be personal and non-transferable.

The issuance of a Municipal Butcher's Permit shall not exempt the holder from obtaining any other license, accreditation, certification, health clearance, or authorization required by national law or regulation.

SECTION 13. REQUIREMENTS FOR MUNICIPAL BUTCHER'S PERMIT

An applicant shall submit the following, as applicable:

- a. Accomplished application form;
- b. Valid government-issued identification;
- c. Barangay clearance, when applicable;
- d. Current health/medical certificate or health card;
- e. Proof of appropriate meat-handling, sanitation, or butchering orientation/training;
- f. Other documents required by applicable law, ordinance, or regulation; and
- g. Payment of authorized municipal fees, when applicable.

Office of the Municipal Mayor

SECTION 14. REGISTRY OF PERMITTED BUTCHERS

The Municipal Agriculture Office/Municipal Veterinarian shall maintain an updated **Municipal Registry of Permitted Butchers**.

The registry shall contain, whenever applicable:

- a. Full name;
- b. Address;
- c. Contact information;
- d. Permit number;
- e. Date of issuance;
- f. Date of expiration;
- g. Place of work; and
- h. Employer or establishment, when applicable.

SECTION 15. MONITORING OF SLAUGHTER AND BUTCHERING ACTIVITIES

All slaughter and butchering activities involving swine within the Municipality shall be recorded whenever practicable.

The record shall contain:

- a. Name of owner;
- b. Source/origin of hog;
- c. Number of hogs;
- d. Actual live weight;
- e. Date and time of slaughter;
- f. Name and permit number of butcher;
- g. Place of slaughter;
- h. Meat inspection status, when applicable;
- i. Quantity/weight of meat produced; and
- j. Destination or purchaser of the pork.

SECTION 16. SLAUGHTER FACILITY AND MEAT INSPECTION

Commercial slaughter of swine for meat distribution shall be conducted only in a facility legally authorized for such activity and shall comply with applicable veterinary and meat-inspection requirements.

The Municipality shall coordinate with the National Meat Inspection Service, Provincial Veterinary Office, Bureau of Animal Industry, and other competent agencies whenever necessary.

During an ASF outbreak, emergency, or movement-control situation, all slaughtering and movement of pork and by-products shall comply with applicable DA, BAI, NVQSD, and NMIS directives.

SECTION 17. MONITORING OF PORK AND PORK PRODUCTS LEAVING THE MUNICIPALITY

Pork, pork products, carcasses, and animal by-products leaving Santo Tomas shall comply with applicable veterinary quarantine, meat inspection, food safety, transport, and documentation requirements.

Whenever practicable, records shall include:

- a. Source;
- b. Date of slaughter;
- c. Quantity/weight;

Office of the Municipal Mayor

- d. Meat inspection status;
- e. Destination;
- f. Transporter; and
- g. Required permits, certificates, or other documents.

SECTION 18. ASF SURVEILLANCE AND REPORTING

All hog raisers, owners, traders, viajeros, transporters, butchers, slaughterhouse operators, and other concerned persons shall immediately report to the Municipal Agriculture Office/Municipal

Veterinarian any:

- a. Unusual or unexplained mortality of swine;
- b. Sudden increase in mortality;
- c. Signs or symptoms suggestive of ASF;
- d. Suspected introduction of infected animals;
- e. Unauthorized movement from a suspected premises; or
- f. Other circumstances indicating possible ASF infection.

Upon receipt of a report, the Municipal Agriculture Office/Municipal Veterinarian shall conduct or facilitate appropriate verification and immediately coordinate with the Provincial Veterinary Office and competent DA/BAI authorities.

SECTION 19. ACTION ON SUSPECTED ASF CASES

Upon confirmation or reasonable suspicion of ASF, the Municipality shall coordinate with the Provincial Veterinary Office and DA/BAI for appropriate disease-control measures.

Such measures may include, as authorized by competent authorities:

- a. Quarantine;
- b. Movement restriction;
- c. Disease investigation;
- d. Sampling and laboratory testing;
- e. Surveillance;
- f. Depopulation where legally ordered;
- g. Disposal of affected animals and materials;
- h. Cleaning and disinfection; and
- i. Other measures prescribed by competent veterinary authorities.

No municipal personnel shall undertake measures beyond their authority under existing law and national veterinary protocols.

SECTION 20. BARANGAY PARTICIPATION

Barangay officials are hereby directed to assist, within their lawful authority, in:

- a. Reporting suspected ASF cases and unusual swine mortality;
- b. Reporting significant livestock movements;
- c. Identifying hog raisers, traders, viajeros, and butchers operating within their respective barangays;
- d. Reporting unauthorized slaughtering or butchering;
- e. Assisting in information dissemination; and
- f. Supporting lawful ASF surveillance and disease-control activities.

Barangay officials shall not exercise veterinary quarantine or meat-inspection powers unless specifically authorized by law or competent authority.

SECTION 21. INTER-OFFICE COORDINATION

The Municipal Agriculture Office/Municipal Veterinarian shall coordinate, whenever necessary, with

Sa Santo Tomas,
Lahat Aangat!

Office of the Municipal Mayor

- a. **Municipal Health Office** – on sanitation, food safety, and related public-health concerns;
- b. **Business Permits and Licensing Office** – on business and butcher permit compliance;
- c. **Municipal Treasurer's Office** – on duly authorized fees and charges;
- d. **Barangay Officials** – on local monitoring, reporting, and information dissemination;
- e. **Philippine National Police** – when lawful enforcement or security assistance is necessary;
- f. **Provincial Veterinary Office** – on veterinary surveillance and disease-control activities;
- g. **Department of Agriculture/Bureau of Animal Industry/National Veterinary Quarantine Services Division** – on animal movement, quarantine, and ASF control; and
- h. **National Meat Inspection Service** – on meat inspection and meat-establishment requirements.

SECTION 22. DESIGNATED ASF MONITORING PERSONNEL

The Municipal Mayor may designate, through a Memorandum or Office Order, personnel from the Municipal Agriculture Office/Municipal Veterinary Office to perform monitoring, documentation, and reporting functions under this Executive Order.

Additional municipal personnel may be designated to assist when necessary, particularly during ASF alerts, disease investigations, livestock movement monitoring, or other situations requiring additional manpower.

SECTION 23. MONITORING POINTS

The Municipality may establish or designate ASF monitoring points at strategic entry and exit areas, subject to applicable laws, availability of resources, and coordination with competent authorities.

Authorized personnel may verify documents accompanying live swine, pork, pork products, and by-products.

The establishment of monitoring points shall not be construed as granting municipal personnel veterinary quarantine authority beyond that provided by law.

SECTION 24. BIOSECURITY

All hog raisers, traders, viajeros, transporters, butchers, and slaughter facilities are encouraged to observe appropriate biosecurity measures and shall comply with mandatory biosecurity requirements imposed by competent authorities.

Such measures may include:

- a. Cleaning and disinfection of vehicles and equipment;
- b. Proper disposal of animal waste and by-products;
- c. Prevention of unnecessary animal movement;
- d. Prevention of contact between healthy and suspected infected animals;
- e. Proper handling of carcasses and animal products; and
- f. Compliance with applicable DA/BAI biosecurity protocols.

SECTION 25. PROHIBITED ACTS

The following acts are prohibited, subject to applicable laws, municipal ordinances, and national regulations:

- a. Engaging in covered butchering activities without a valid Municipal Butcher's Permit;
- b. Using or lending a Municipal Butcher's Permit to another person;
- c. Falsifying animal movement, weighing, slaughter, or transaction records;
- d. Concealing the source or destination of swine;

Office of the Municipal Mayor

- e. Transporting swine without required veterinary and movement documents;
- f. Transporting pork or pork products without required documentation;
- g. Moving swine in violation of a lawful quarantine or movement restriction;
- h. Knowingly moving or selling swine from a suspected or confirmed ASF premises in violation of applicable restrictions;
- i. Manipulating or tampering with weighing scales;
- j. Falsifying or misrepresenting the actual live weight of hogs;
- k. Obstructing duly authorized monitoring personnel in the performance of their lawful duties; and
- l. Other acts prohibited under applicable national laws, rules, regulations, and municipal ordinances.

SECTION 26. ADMINISTRATIVE ACTION

Any violation of this Executive Order may result in the issuance of a notice, warning, recommendation, suspension or revocation of a municipal permit, or referral to the appropriate government agency, as authorized by law.

Where a violation constitutes an offense under an existing municipal ordinance or national law, the matter shall be referred to the proper authority for appropriate proceedings.

No penalty shall be imposed under this Executive Order unless authorized by law or an existing municipal ordinance.

SECTION 27. SUSPENSION OR REVOCATION OF BUTCHER'S PERMIT

A Municipal Butcher's Permit may be suspended or revoked, after observance of applicable administrative due process, on any of the following grounds:

- a. Repeated unauthorized butchering;
- b. Falsification of records;
- c. Violation of applicable sanitation or meat-safety requirements;
- d. Violation of a lawful ASF movement restriction;
- e. Obstruction of lawful inspection or monitoring;
- f. Fraudulent use or transfer of the permit;
- g. Manipulation of weighing or slaughter records; or
- h. Other grounds provided by law, ordinance, or applicable regulation.

SECTION 28. COMPLAINT AND REPORTING MECHANISM

The Municipality shall establish an accessible mechanism for receiving complaints concerning:

- a. Suspected ASF;
- b. Unauthorized movement of swine;
- c. Unauthorized slaughtering or butchering;
- d. Alleged violation of the ₱180.00/kg live-weight prescribed municipal price;
- e. Manipulation of weighing scales or records;
- f. Undocumented pork movement; and
- g. Other violations covered by this Executive Order.

All complaints shall be documented and referred to the appropriate office for verification and appropriate action.

SECTION 29. INFORMATION AND EDUCATION CAMPAIGN

The Municipality shall conduct continuing information and education activities for hog raisers, traders, viajeros, transporters, butchers, slaughterhouse operators, meat vendors, and the general public concerning:

Office of the Municipal Mayor

- a. ASF prevention and control;
- b. Animal movement requirements;
- c. Biosecurity;
- d. Slaughter and meat-inspection requirements;
- e. Municipal Butcher's Permit requirements;
- f. Live-hog price monitoring; and
- g. Reporting of suspected ASF cases.

SECTION 30. RECORDS AND REPORTING

The Municipal Agriculture Office/Municipal Veterinarian shall maintain a centralized ASF monitoring and traceability database or logbook.

Periodic reports shall be submitted to the Municipal Mayor containing, whenever applicable:

- a. Number of attempted live-hog entries and documented violations of the entry ban;
- b. Number of live hogs leaving the Municipality;
- c. Internal livestock movement;
- d. Number of hogs slaughtered or butchered;
- e. Number of permitted butchers;
- f. Live-hog transaction and price-monitoring data;
- g. Reported suspected ASF cases;
- h. Disease investigation results;
- i. Pork and pork products monitored; and
- j. Other relevant ASF-related information.

SECTION 31. IMPLEMENTING FORMS

The Municipal Agriculture Office/Municipal Veterinarian shall prepare and utilize appropriate forms, including:

1. ASF Live Swine Entry Monitoring Form;
2. ASF Live Swine Exit Monitoring Form;
3. Live Hog Purchase and Weighing Record;
4. Municipal Butcher's Permit Application Form;
5. Municipal Registry of Permitted Butchers;
6. Slaughter/Butchering Monitoring Form;
7. Pork/Pork Product Exit Monitoring Form;
8. ASF Suspected Case/Incident Report Form; and
9. Other forms necessary for implementation.

SECTION 32. REVIEW OF THE ₱180.00/KG PRICE

The Municipal Agriculture Office shall periodically review the prescribed **₱180.00/kg live-weight price** in consultation with local hog raisers, traders, butchers, consumers, and other stakeholders.

The review shall consider:

- a. Prevailing market prices;
- b. Production costs;
- c. Feed prices;
- d. Transportation costs;
- e. Supply and demand;
- f. ASF status and disease-control measures;
- g. Farm-gate conditions; and
- h. Applicable national government policies.

Republic of the Philippines
Province of Isabela
MUNICIPALITY OF SANTO TOMAS

Office of the Municipal Mayor

Any adjustment shall be made through the appropriate legal issuance and in accordance with applicable law.

SECTION 33. COMPLIANCE WITH NATIONAL LAWS AND REGULATIONS

Nothing in this Executive Order shall be interpreted as:

- a. Superseding the authority of the Department of Agriculture, Bureau of Animal Industry, National Veterinary Quarantine Services Division, National Meat Inspection Service, Provincial Veterinary Office, or other competent government agency;
- b. Replacing national veterinary quarantine requirements;
- c. Replacing a Veterinary Health Certificate, Shipping Permit, Certificate of Ownership, Certificate of Transfer of Ownership, Meat Inspection Certificate, or other document required by law;
- d. Authorizing the movement of swine or pork in violation of national ASF zoning or quarantine restrictions; or
- e. Authorizing any activity prohibited under national law.

All provisions of this Executive Order shall be implemented consistently with applicable national laws, rules, regulations, and official directives.

SECTION 34. FUNDING

Funds necessary for the implementation of this Executive Order shall be charged against available appropriations of the Municipality, subject to existing budgeting, accounting, auditing, procurement, and other applicable laws, rules, and regulations.

SECTION 35. SEPARABILITY CLAUSE

If any provision of this Executive Order is declared invalid or unconstitutional, the remaining provisions not affected thereby shall continue to be in full force and effect.

SECTION 36. REPEALING CLAUSE

All executive orders, rules, regulations, or issuances of the Municipality inconsistent with this Executive Order are hereby repealed, amended, or modified accordingly.

SECTION 37. EFFECTIVITY.

This Executive Order shall take effect immediately upon its issuance and shall remain in force until revoked or amended by the Municipal Mayor.

Issued this 2nd day of September 2026 at the Municipality of Santo Tomas, Isabela.

LEANDRO ANTONIO P. TALAUE
Municipal Mayor
